By signing below, we affirm that:

- Our child, listed above, will participate in the Woodridge District 68 band program.
- We will encourage 20 minutes of practice time each day. (Private lessons are encouraged.)
- Our child will behave in a way that is helpful to everyone involved, supportive of others, and in a way that represents our bands, our schools, and our community with pride and respect.
- If our child misbehaves, or is disruptive or disrespectful, then he or she will face disciplinary action, including detentions, parent conferences, and/or removal from band.
- We will make every effort possible to attend lessons, rehearsals, and performances while acknowledging that unexcused absences will result in lower grades in band.
- We will put the important band dates into our calendar at home and will communicate any scheduling conflicts with the band directors well in advance.
- **We understand that band lessons and rehearsals will begin after the Beginning Band Open House.**
